Danger Apparently Passes in White House Conference.

## PATHWAY CLEARED FOR QUICK ACTION

Congress Will Pass Amendments to Erdman Act To-Day, and Wilson Will Sign Immediately-Railroad Managers and Employes Are Satisfied With Result.

Washington, July 14 .- Representatives of the 80,000 conductors and trainmen of Eastern railways, who have voted to strike for higher wages, and managing officers of the railroads agreed at the White House to-day to submit their differences to arbitration under the provisions of the Newlands-Clayton att, which President Wilson and congressional leaders promised to make law by to-moreover aight. In the make law by to-morrow night. In the meantime, no strike will be declared, officials of the employes' brotherhoods agreeing to an armistice until Wednes-

day night. This victory for arbitration over the This victory for arbitration over the strike was the result of a two-hour conference at the White House between President Wilson and congressional leaders, both Republicans and Democrats, the presidents and managers of the railronds and representatives of the brotherhoods of trainmen and conductors. The agreement not only averted, temporarily at least not only averted, temperarily, at least, the strike which throatened to tie up railroad traffic generally in the East, but smoothed out differences of opin-ion that had arisen in both houses as to the composition of the board of mediation, and provided a permanent commission to deal with railroad dis-

Pathway Is Cleared.

The pathway was cleared for prompt ction in both houses, Senator Kern telephoning from the White House to have the Senate adjourn until to-mornave the Senate adjourn until to-mor-row, instead of Thursday as contem-plated, and Representative Clayton an-nouncing that he would move to take from the Speaker's table the bill, to which amendments in conformity with he Newlands bill in the Senate would

be attached.

The President later said that he would sign a measure such as agreed upon, and described the conference as "simple and satisfactory."

Seth Lowe, president of the National Civic Federation, who had been instrumental in bringing the railroad heads and labor leaders together, acted as spokesman for both sides, relating to the President the details of the legislative situation that had arisen in the attempt to provide a substitute the attempt to provide a substitute for the Erdman act. The original board of arbitration provided under that act was independent of any government department, but one of its members-the Commissioner of Labor-had since been included under the -had since been included under the Department of Labor, where his duties
